

NYS ELA & MATH Prep

Spring Recess April 2 to 6, 2018

5 days ELA/MATH Intensive courses. Students will receive a thorough overview of all ELA/MATH contents, the most update testing materials and valuable test-taking strategies.

Steps for Answering Extended-Response Questions (for the ELA test) - "RAFT"

R - restate the question

A - answer the question

F - "for example," give details from the text to support your answers

T - tie it together. Conclude it by referring to the topic sentence in the introduction. Use concluding phrases like "as you can see" or "in conclusion."
